

Alice Ezzo Concierge Nursing Services, LLC.

RN Scope & Concierge Nursing Disclaimer

All concierge nursing and consulting services are provided within the professional scope of practice of a Registered Nurse (RN), in accordance with the California Board of Registered Nursing. Services are delivered in a non-clinical, supportive role and may include health education, care coordination, system navigation, and wellness guidance for individuals and families. These services are designed to support clients in understanding their health, improving safety, and navigating the healthcare system with confidence.

Concierge nursing services do not include medical diagnosis, treatment, or direct clinical care. The RN does not prescribe medications, perform invasive procedures, or replace licensed medical providers, home health, or emergency services. All education and guidance are informational and intended to complement, not substitute, care provided by physicians and other qualified healthcare professionals. Clients should consult their licensed provider for all medical decisions and treatment needs.

Independent Service Disclaimer

This concierge nursing service operates as an independent, private service and is not affiliated with, endorsed by, or acting on behalf of any hospital, healthcare system, physician practice, insurance company, or government agency, including the California Board of Registered Nursing. All services are provided independently and are not billed through insurance or any healthcare facility.
